

ORGANIZATIONAL CHANGES

In connection with the creation of the TECH integrated library and the integration of the services of the Scientific Information Center (SIC) of the IOCB into this newly established institution, I change the organizational structure in the area of information services as follows:

I.

As of December 31, 2015, I cancel the SIC service workplace.

II.

As of January 1, 2016, I modify the organizational structure of the "Information Technologies and Services" (ITS) group in the following manner:

Head: Jiří Polách

Deputy: Ivan Černý

Information Technologies

Ivan Černý
Vladimír Kulhavý
Karolína Kotová

Information Services

Michal Hoskovec
Jakub Šimon

User Support

Zdeněk Barták
Martin Sokol
Tomáš Svoboda

Library

Michaela Záluská
Lenka Haškovcová
Viktorie Tothová
Jana Procházková

III.

As of January 1, 2016, I include Zuzana Formanová in the Office of the Director.

IV.

I charge the ITS head with cooperating with the integration project leader and the partners involved in the newly established TECH library on the completion of the integration process and with continually informing the IOC staff on the practical implications of the integration and the organizational measures related to it.
