

## Director's Decree V2017-06

August 18, 2017

### Director's Decision on Organizational Changes

Based on the results of the evaluation of selected research groups, in accordance with recommendation of the International Advisory Board and after consulting the Board of Institute, I hereby:

1. Promote junior research group headed by Dr. Evžen Bouřa to senior group status in the research area of molecular biology and biochemistry (260/26), as of October 1, 2017.  
Group leader: Dr. Evžen Bouřa, Deputy: Dr. Martin Klíma
2. Promote junior research group headed by Dr. Petr Cígler to senior group status in the research area of synthetic nanochemistry (870/78), as of October 1, 2017.  
Group leader: Dr. Petr Cígler, Deputy: Mgr. Jitka Neburková
3. Extend junior research group headed by Dr. Kvido Stříšovský until December 31, 2019.
4. Extend senior research group headed by Dr. Josef Michl until December 31, 2020.
5. Dissolve senior research group headed by Dr. Václav Kašíčka, as of December 31, 2017.
6. Dissolve senior research group headed by Dr. Ivan Rosenberg, as of December 31, 2017.
7. Establish new junior research group headed by Dr. Zuzana Kečkéšová in the research area of molecular biology and biochemistry (580/58), as of October 1, 2017.  
Group leader: Dr. Zuzana Kečkéšová, Deputy: Dr. Beata Malčeková

Zdeněk Hostomský  
Institute Director
