

Organizational changes

Based on increasing demands on the activities of the IT group, its scope and reach will be expanded and at the same time the overall concept of this group will be changed. In this context I make the following changes in the organizational structure in the IT area:

I.

As of December 31, 2014, I dissolve
the current IT service group

II.

As of January 1, 2015, I establish
a new group

"Information Technologies and Services" (ITS) with this organizational structure:

Head: Jiří Polách

Deputy: Ivan Černý

1. Information Systems

Michal Hoskovec

2. Information Technology

Head: Ivan Černý

Vladimír Kulhavý

Karolína Kotová

3. User support

Zdeněk Barták

Martin Sokol
