

Deadline	<b>Throughout the year</b>
Call name	<b>DFG Research Fellowships</b>
www	<a href="http://www.dfg.de/en/research_funding/programmes/individual/research_fellowships/index.html">http://www.dfg.de/en/research_funding/programmes/individual/research_fellowships/index.html</a>
Focused on	Postdoctoral long-term research stay anywhere abroad (e.g. IOCB Prague) under the supervision of a qualified scientist & reintegration into the German host institution
Applicant	German or international postdocs, junior researchers who have been resident in Germany for several years and have completed at least 3 years of scientific work as a doctoral or postdoctoral researcher in the German research system and state that they wish to continue to pursue their research in Germany in the future
Host institution	Research institution outside Germany (e.g. IOCB Prague)
Expected outputs	Skills in new scientific research methods, preparation of habilitation, research project; (J) Reviewed publications
Call opens	-
Final deadline	<b>Throughout the year</b>
Evaluation results	Within 6 months
Signature of agreement	-
Earliest date of implementation	-
Latest date of implementation	-
Sustainability	Applicants must intend to continue their research career in Germany after the funding.
Reporting	NA
Project duration (min-max)	<b>3–24 months</b> (+ return grants for max 6 months)
Allocation for the call	NA
Project budget (min-max)	Basic fellowship depends on the country being visited, use the Award Calculator: <a href="http://www.dfg.de/en/research_funding/programmes/individual/research_fellowships/calculator/">http://www.dfg.de/en/research_funding/programmes/individual/research_fellowships/calculator/</a> At least <b>2924 EUR</b> per month for the Czech Republic
Success rate	30–40%
Eligible costs	Monthly lump sum: Basic fellowship (1750 EUR), Direct project costs (250 EUR), Foreign allowance (at least 924 EUR for Czech Republic), Child allowance (400 EUR/1, 500 EUR/2, 600 EUR/3, 700 EUR/4); travel costs, publication costs, relocation costs on return to Germany
Mode of funding	Ex-ante
Language of application	English (parts in German)
Provider	Deutsche Forschungsgemeinschaft (DFG), Kennedyallee 40, 53175 Bonn, Germany, <a href="http://www.dfg.de">www.dfg.de</a> ; Anita Benner, Birgit Gemein, Marco Steffes, <a href="mailto:Verfahren-Nachwuchs@dfg.de">Verfahren-Nachwuchs@dfg.de</a> Mon/Tue/Thu 9:00–12:00, +49 228 885 3008
Call identifier	DFG Fellowships 2018
Call info	DFG Research Fellowships are intended to help early career researchers to conduct a defined project at a location of their choice in a country other than Germany and to use it as an opportunity to familiarise themselves with new research methods or to bring a large project to a conclusion.
Conditions / Restrictions	Applicants must have completed their PhD before application submission. Applicants have worked for at least 3 years in the German research system (doctoral or postdoctoral phase). Applicants must intend to continue their research career in Germany after the funding. Applicants are free to choose any country (except Germany) as destination for their research stay abroad, provided they have not resided or carried out their main activity in the same country no more than 3 years. Applicants must not have been working for the host institution selected for the research fellowship for more than 1 year. Applicants can apply for fellowships from other organisations, e.g. <a href="http://www.daad.de">www.daad.de</a> , <a href="http://www.stiftungen.org">www.stiftungen.org</a> , <a href="http://www.stifterverband.info">www.stifterverband.info</a> , <a href="http://www.eduserver.de">www.eduserver.de</a> , <a href="http://www.euraxess.de">www.euraxess.de</a> , etc. Secondary employment is only possible in exceptional cases.

	<p>The host institution is expected to provide the necessary direct support (desk space, support staff, equipment, consumables, etc.).</p> <p>Return grants must be requested from abroad at least 2 months prior to returning to Germany.</p>
Proposal consists of	<p>Online application submitted via Elan portal, <a href="https://elan.dfg.de">https://elan.dfg.de</a></p> <p>1) <b>Online proposal</b>: (i) First page; (ii) Project details: title, duration, research area, keywords, summary in English and German; (iii) Applicant data; (iv) Participating individuals: host institution &amp; supervisor; (v) Participating institutions; (vi) Concluding information (applicant) Attachments in PDF</p> <p>2) <b>Project description</b>: (i) Current state of research; (ii) Research objective &amp; preliminary work; (iii) List of up to 10 project related publications; (iv) Research plan including methods; (v) Relevance of project to research career objectives; (vi) Reasons for selecting host institution; (vii) Desired state date of fellowship; (viii) Additional publication costs; (ix) Additional funding; (x) Career plans (use template, max 20 pages) (applicant)</p> <p>3) <b>CV</b> including a list of up to 10 of the most important publications (applicant)</p> <p>4) <b>Invitation letter</b> from the foreign host institution (host supervisor/host institution)</p> <p>5) <b>Copy of PhD diploma</b> (applicant)</p> <p>6) <b>Doctoral thesis &amp; publications</b> from the list (applicant)</p> <p>7) <b>Scientific manuscripts</b> if relevant (applicant)</p>
Evaluation criteria	<p>High scientific quality and originality of a research project at an international level</p> <p>What has the applicant accomplished so far in his/her career and area of research?</p> <p>Is the applicant qualified to pursue the project based on his/her track record?</p> <p>How do you assess the scientific originality and feasibility of the project?</p> <p>Are the host institution and the research environment suitable?</p>
Research areas	All research areas
