

Organizational Changes

Based on the recommendations of the IAB and after discussions with the Board of Institute,

I.

I establish the following new groups with effect from January 1, 2014:

1. The junior research group “Chemistry of Natural Products” – 540/54 in the personnel composition:

Leader - Robert Hanus
Deputy - Jana Krasulová
Jana Brabcová
Klára Dolejšová
Anna Jirošová
Pavλίna Kyjaková

2. The research-service group “NMR and Molecular Spectroscopy” - 910/91 in the personnel composition:

Leader - Šaman David
Deputy - Pohl Radek
Bednárová Lucie
Buděšínský Miloš
Dlouhá Helena
Dračínský Martin
Fiedler Pavel
Hanzlíková Jana
Otrubová Miroslava
Pazderková Markéta
Poštová Slavětínská Lenka
Procházková Eliška

Seidlerová Beata
Snopková Marie
Tarábek Ján

At the same time, I cancel the research-service group NMR 910/91 and the service group of Molecular Spectroscopy 999/99.

II.

As of January 1, 2014, I transfer:

1. The **“Structural Biology”** group – 930/93 (leader: Dr. Maloy Řezáčová) from research-service groups to senior research groups in the research area Biochemistry and Molecular Biology.
2. The **“Electromigration Methods”** group – 940/94 (leader: Dr. Kašička) from research-service groups to senior research groups in the research area Analytical Chemistry and Separation Sciences.
3. The **“Laboratory of Radioisotopes”** group – 960/96 (leader doc. Elbert) from research-service groups to service groups.

Prague, October 18, 2013

RNDr. PhDr. Zdeněk Hostomský, CSc.
Director
