

## **Minutes of the Selection Committee “IOCB Postdoctoral Project and Sabbatical Program”, 09.10.2018**

Committee: I. Pichová (presiding), P. Jungwirth, V. Kašíčka, U. Jahn  
Excused: I. Starý, though he sent comments and recommendations to the applications of all candidates in advance.

### **Point 1) General matters**

- 1.) The committee discussed the ongoing trend of declining applications. One of the potential explanations is lack of lab space. The committee encourages the management and the Board to pay attention to this issue.
- 2.) An update of the web pages is necessary.

### **Point 2) Selection**

#### *IOCB Sabbatical*

No applications.

#### *IOCB Postdoctoral fellowships*

The committee received three applications for IOCB Postdoctoral Fellowships and one application for extension of current IOCB Postdoctoral Fellowships.

*1.) The committee decided to grant IOCB Postdoctoral Fellowships to:*

**Agustina La-Venia** in M. Vrábek's group.

**Balazs Fabian** in P. Jungwirth's group.\*

**Ludovic Aillot** in J. Weber's group.

\* As in previous meetings of the committee, if a vote was about an applicant to a group of a committee member, this member did not participate in the discussion and abstained from the vote.

*2.) The committee decided to extend IOCB Postdoctoral Fellowships to:*

**Alejandro Carnero Martín** in Z. Janeba's group on the condition that he provides a progress report or ideally a manuscript in progress by April 1<sup>st</sup>, 2019. The reason for this is that the committee feels that there has not been sufficient progress during the first nine months of the project.

*3.) The committee decided not to fund the following applications:*

None
