Call identifier	France Research Visits 2019
Call info	This programme aims to develop Czech-French collaboration. Government of France Fellowships support 1–3 month research visits of Ph.D. students subscribed at universities in the Czech Republic in France
Conditions / Restrictions	Applicants must be only Ph.D. students who are subscribed at Czech universities. Research visits have to start on the first day of each month. Dates of arrival & departure have to correspond to dates of beginning & closing of the visit. Applications have to be sent electronically as 1 folder with all documents to sciences.prague@gmail.com. Name the folder: "Surname-Name-Staz-SVT et Medicine" Name each file: "Surname-Name-name-of-document" Personal interviews with selected applicants will be held in Prague in February 2019. Applicants are expected to present their research projects in 10-min presentations (max 7 slides) and answer all questions. Non-French speaking students may apply for the fellowship if the French supervisor confirms agreement of the French institution with the English. Fellows are expected to become important players and to strengthen Czech-French relationships.
Proposal consists of	1) **CV** with detailed contacts (address, phone number, e-mail) of the applicant (max 2 pages, uploaded in PDF) (applicant) 2) **Motivation Letter**, description of further professional career development of the applicant (max 2 pages, uploaded in PDF) (applicant)

	3) **Research proposal**: research plan with time schedule, visit duration, precise date of beginning & closing of the visit, contacts of French partner who will be responsible for the visit in France (max 2 pages, uploaded in PDF) (applicant) 4) **List of your university grades** from the last 2 years of study (applicant & university administration) 5) **Letter of Invitation** from the French supervisor who will be responsible for the visit, agreement with the supervision, visit duration, precise date of beginning & closing of the visit (French mentor) 6) **Letter of Support** from the Czech supervisor, agreement with the visit, visit duration, precise date of beginning & closing of the visit (Czech mentor)
Evaluation criteria	Quality of the research project, quality of the application, impact for applicant
Research areas	All research areas 1) Natural Sciences & Earth Sciences 2) Engineering 3) Economics & Law 4) Social Sciences & Humanities 5) Medicine
