Conditions / Doctrictions	universities or research institutions in Japan.
Conditions / Restrictions	Fellows are postdocs who have obtained their Ph.D. degree between Tue 02 Apr 2013
	and Wed 27 Nov 2019 (before the fellowship goes into effect).
	Fellows/candidates are allowed to have only 1 application.
	Japanese citizens, foreigners who are permitted permanent residence in Japan, former
	awardees of the Fellowship are not eligible.
	Applications must be submitted to JSPS by a host researcher in Japan via the head of
	his/her university or institution.
	Overseas researchers wishing to participate in the program are advised to establish
	contact with a Japanese or foreign-resident researcher in their field and to ask him/her
	to submit an application. They should make this contact well in advance of the host
	institution's application deadline (may be more than 1 month before JSPS deadline).

Each host institution has to confirm the application list on the electronic application system by the deadline: (i) List of applications, (ii) List of applicants. For the fellow who has been living in Japan (and has a mailing address) before the fellowship starting date, the "traveling expense" of outbound flight and a "settle-in allowance" will not be paid. Fellows are not permitted to receive other fellowships or funding (e.g. salary or other compensation) during the tenure of their fellowships or funding (e.g. salary or other compensation) during the tenure of their fellowships. Fellows are not allowed to receive per diem even when they are provided funds for transportation and accommodation during trips to execute their research plans.
