

Deadline	Thu 31 Jan 2019, 17:00 CET Pre-proposals (IOCB deadline Mon 28 Jan 2019) Wed 01 July 2019, 17:00 CET Full-proposals (IOCB deadline Mon 29 June 2019)
Call name	10th Joint Transnational Call for Proposals (2019) for “European Innovative Research & Technological Development Projects in Nanomedicine”
www	EuroNanoMed3: http://euronanomed.net/joint-calls/10th-joint-call-2019 TA CR: https://www.tacr.cz/index.php/cz/mezinarodni-spoluprace/cofundove-vyzvy-ii/122-mezinarodni-spoluprace/cofundove-vyzvy/1422-euronanomed3.html
Focused on	Support of translational research projects that combine innovative approaches in the field of nanomedicine. To encourage and enable translational collaboration between public and private research groups from academia and enterprises. This call supports the following topics: <ul style="list-style-type: none"> • Diagnostics • Targeted delivery systems • Regenerative medicine (not supported by TACR) Czech participants: support only for applied research and experimental development
PI	Consortium consisting of 3-5 partners (up to 7 partners with participation of partner/s from under-represented countries) from at least 3 different countries represented by a coordinator.
Eligible organisation	Academia (universities, higher education institutions, research institutes), Clinical/public health research sector (hospitals, other health care organizations) and Enterprises (all sizes). National/regional restriction may apply. Participating countries: Bulgaria, Canada, Czech Republic, Estonia, France, Greece, Italy, Latvia, Lithuania, Norway, Poland, Romania, Slovakia, Spain, Taiwan, and Turkey.
Target group	Multinational research groups collaboration - senior researchers, junior researchers, postdocs
Expected outputs	At least one of the following types of results: (F) Utility model, industrial model; (G) Prototype, functional sample; (N) Certified methodology, treatment procedure, heritage procedure, specialized map with scientific content; (P) Patent; (R) Software; (Z) Trial operation, verified technology, variety, breed technology.
Call opens	Wed 14 Nov 2018
IOCB deadline	Mon 28 Jan 2019 Pre-proposals Mon 29 June 2019 Full-proposals
Final deadline	Thu 31 Jan 2019, 17:00 CET Pre-proposals One joint proposal per consortium- submission website: https://ptoutline.eu/app/euronanomed2019 Czech participant: submission national parts of the proposal to the TA CR via the data box (datová schránka) ID: afth9xp Wed 01 July 2019, 17:00 CET Full-proposals same as pre-proposals Oct 2019 for successful Czech participant - TACR targeted call for submission of simplified national project proposal
Evaluation results	End of May 2019 - results of pre-proposals assessment 26 Aug – 2 Sep 2019 - rebuttal stage Oct 2019 – funding decision
Signature of agreement	Subject to national procedures Nov – Dec 2019
Earliest date of implementation	1 Jan 2020
Latest date of implementation	Subject to national procedures
Sustainability	An implementation plan, covering the 3 year period after project completion
Reporting	National rules (for Czech participants – TA CR, annual reports 15 January)
Project duration (min-max)	up to 36 months ; National/regional restriction may apply
Allocation for the call	Total 10.85 M EUR; 42 – 59 teams (TA CR 1 M EUR; 3 teams)
Project budget (min-max)	Not specified
Success rate	12.7 % (call 2017)

Eligible costs	<p>Czech participant: §2 of the Act. No 130/2002 Coll.</p> <ul style="list-style-type: none"> • personnel • other direct costs (consumables, travel, equipment - only depreciation costs, IPR) • subcontracting (max. 20% of total budget) • indirect costs (overheads) flat rate of 20 % without subcontracting or full cost model or flat rate of 30 % for HR Award holder. <p>Rules for TA CR national programme EPSILON apply. Investment costs and scholarships are not eligible in this joint call.</p>
Reimbursement	Max. 60% of total eligible costs per Czech applicant project (100 % for research organizations only with co-participation of a Czech SME or company).
Mode of funding	ex-ante
Language of application	English/Czech for TA CR
Provider	<p>Consortium of 18 national/regional providers from 16 countries (for Czech participants – Technology Agency of the Czech Republic (TA CR), www.tacr.cz</p> <p>Iveta Zápařková, +420 234 611 511, iveta.zaparkova@tacr.cz</p> <p>Joint Call Secretariat 2019: The National Institute of Health Carlos III.; Monforte de Lemos, 5; 28029 Madrid, Spain; Contact person: María Druet; +34 918 222 530; enm3@isciii.es</p>
Call identifier	EuroNanoMed2019
Conditions / Restrictions	<ul style="list-style-type: none"> • Consortium must include research group/s from at least two out of the following three categories: Academia, Clinical/public health research sector, Enterprises. • Consortium must specify categories to which project fits in (based on TRL) more <ol style="list-style-type: none"> 1) innovation applied research project (TRL 3-4) 2) projects with high potential of applicability at short/medium term (TRL 5-6) • No more than 2 partners from the same country in one consortium. • Participation of Medical Doctors, junior researchers and SMEs is strongly encouraged. • One principal investigator will represent each project partner. • Partners from several countries will submit application jointly, but individual partners will be funded by the individual EuroNanoMed funding organization respective of the country/region from which applicants have applied. • Participation of associated partners is possible, but they must secure own funding. • Under-represented countries in this call are Bulgaria, Czech Republic, Estonia, Latvia, Lithuania, Romania, Slovakia, Taiwan, and Turkey.
Proposal consists of	<p>1) Joint pre-proposal application form:</p> <ul style="list-style-type: none"> • Abstract (max. 2,000 characters) • Data of each participating organization (partner) • Project description (max. 5 pages) • CV of each partner • Financial plan of each partner <p>2) Czech applicant - national application for the TA CR:</p> <ul style="list-style-type: none"> • Budget table (in EUR) • A Sworn statement of the applicant • If applicable: <ul style="list-style-type: none"> • Financial statements 2015–2017 (not mandatory for research organisation) • Confirmation of the Certification authority for results NmetS • HR Excellence Award confirmation
Evaluation criteria	<p>1) Excellence; 2) Impact; 3) Quality and efficiency of the implementation</p> <p>Maximum score 15 points; scope 0-5 for each criterion, no threshold.</p>
Research areas	All research areas and expertise relevant to topics diagnostics and targeted delivery systems
Call workshop	Not available
IOCB contact	<p>Please inform the IOCB Project Office about your intention to apply.</p> <p>Do not hesitate anytime to contact us for consulting, discussion or help.</p> <p>Veronika Palečková, veronika.paleckova@uochb.cas.cz, +420 220 183 266</p> <p>Jitka Šílerová, jitka.silerova@uochb.cas.cz, +420 220 183 229</p>
