

Director's Decree V2019-05

May 31, 2019

Organizational Changes

Effective June 1, 2019, I make the following organizational changes:

- 1) In order to improve communication and to streamline administrative processes, I am transferring the Purchasing and Storage department back to the Economic Division (head: Jana Pokorná) within the Technical-Economic Administration. The Economic Division will be thereby divided into the following three sections: *Financial Accounting* (head: Božena Petschová), *Planning and Budget* (head: Jana Pokorná) and *Purchasing and Storage* (head: Lukáš Křivánek).
- 2) I establish a new Junior research group "Structural parasitology" of Sebastian Zoll in the field of Biochemistry and Molecular Biology, starting on June 3, 2019.
