

***Re: Decision on the Establishment of the "Neuroprotektiva" Service Team
and on the Organizational Change***

I.

As of January 1, 2012, I establish the "Neuroprotektiva" service team. I appoint Mgr. Eva Šťastná, Ph.D., as the team leader.

The purpose of the establishment of the team:

The team will, in cooperation with physiological and medicinal workplaces, propose the structures and synthetic procedures as well as prepare compounds with the presumed neuroprotective activity for the purpose of commercializing the existing intellectual property and the subsequent results.

Team employees:

Leader: Šťastná Eva
Deputy: Chodounská Hana
Borovská Jiřina
Hybšová Dagmar
Pošta Martin
Sedláčková Michaela
Slavíková Barbora

II.

As of January 1, 2012, the below-listed employees will be included in the teams as follows:

Doc. Elbert's team:	Černý Ivan, Kloučková Lenka, Kvasnica Miroslav
Dr. Jahn's team:	Kapras Vojtěch
Mgr. Matějková's team:	Hniličková Jaroslava
The director's office:	Kasal Alexander (Researcher Emeritus)
