**ERC Support at Charles
University**

What is ERC?

- European Research Council
- Excellent science which breaks the boundaries of state-of-the-art knowledge
- ERC grants enable scientists to be financially independent
- extraordinary conditions for work that possibility to start a new independent scientific group.

European Research Council

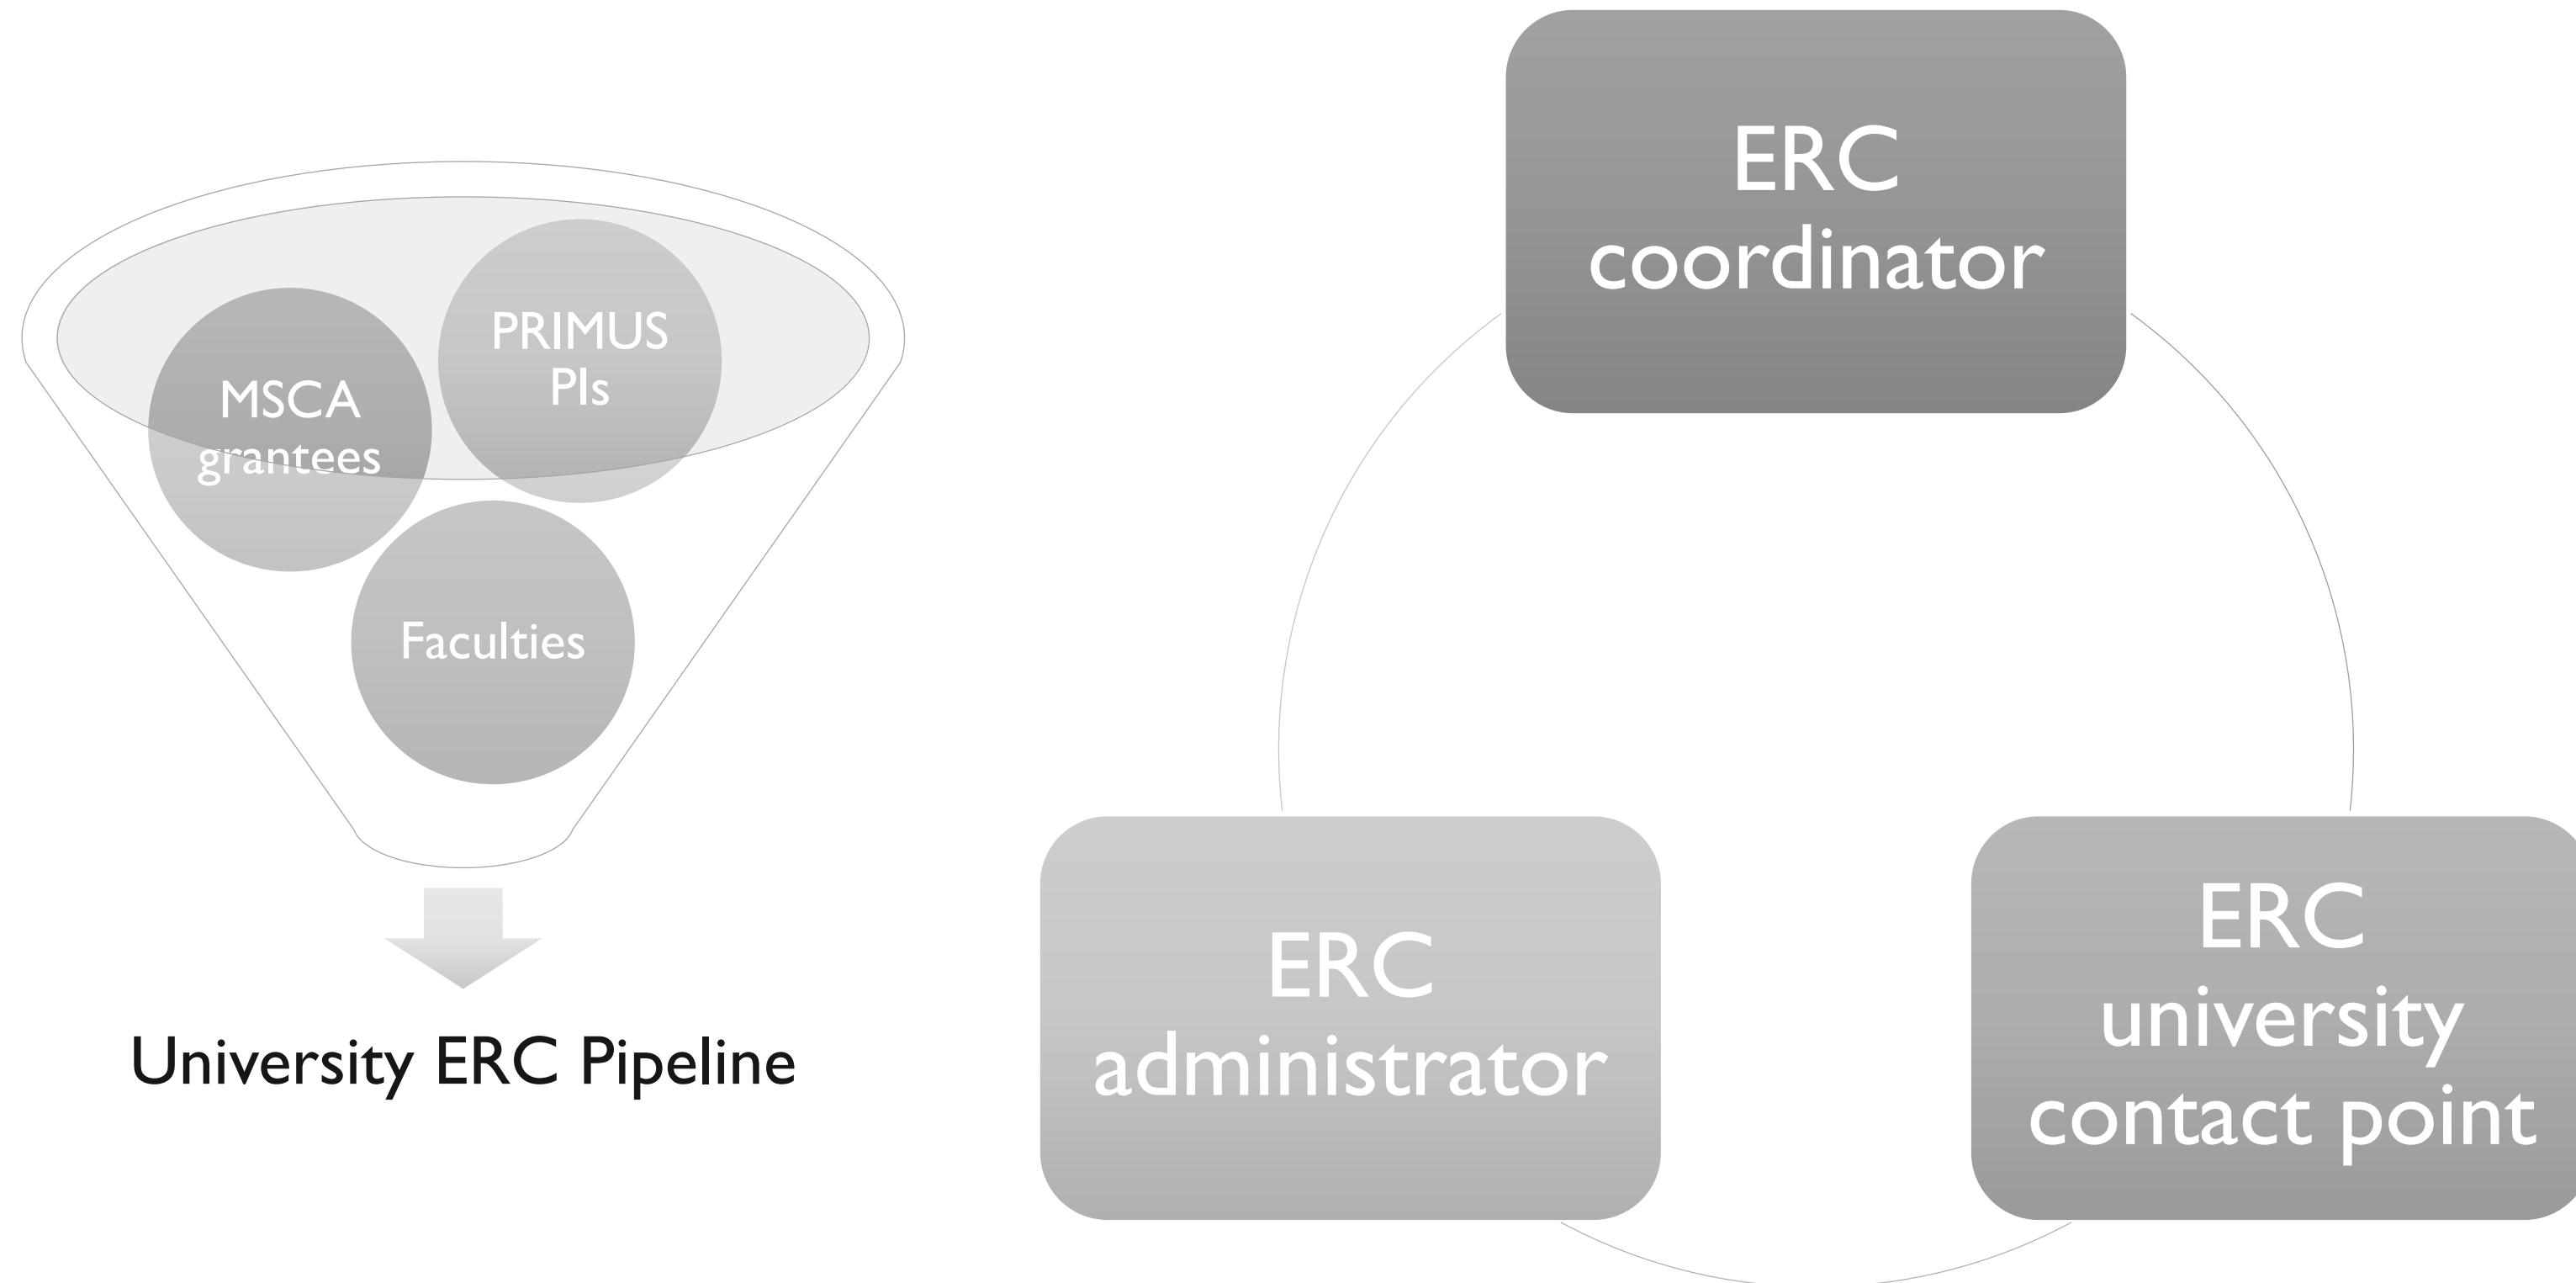

Established by the European Commission

ERC at Charles University

- Currently 8 ERC projects, 1 Synergy Grant
- Underrepresentation of SSH
- Low success rate for AdG
- Most applications for StG (this year 14), than CoG
- Some of the researchers left with ERC abroad
