

Director's Decree V2019-10

December 12, 2019

Organizational Changes

This Director's Decree is to amend the Director's Decree V2019-08 of October 14, 2019.

Those research groups that did not pass the evaluation in September 2019 (Dr. Norbert Weiss Group, Dr. Josef Lazar Group, and Dr. Dmytro Yushchenko Group) will be dissolved as of December 31, 2020. These groups will operate in a limited mode during the year 2020 and will mainly focus on the finalization of their ongoing projects.

The targeted research group Antimicrobial Peptides headed by Dr. Václav Čeřovský will be dissolved as of December 31, 2019.
