

Re: The Recall and Appointment of the NMR Scientific-Service Team Leader

As of December 31, 2011, I remove

RNDr. Miloš Buděšínský, CSc.

from the position of the NMR scientific-service team leader.

I want to thank Dr. Buděšínský for his many years of service in the position of the NMR leader and for his development of NMR methods within the institute.

On the basis of the commission's evaluation of the results of the open competition for the position of the NMR scientific-service team leader, I hereby appoint

Ing. David Šaman, CSc.

as the NMR scientific-service team leader as of January 1, 2012.

Prague, December 27, 2011

RNDr. Zdeněk Havlas, DrSc.
Director
