Call info	The aim of the programme is to establish contacts, to develop cooperation and support the mobility of researchers cooperating in international projects of basic research.
Conditions / Restrictions	The tender documentation is only available in Czech. The proposal for a joint research project has to be prepared simultaneously by the Czech research team (based on MEYS call conditions http://sdv.msmt.cz/vyzkum-a-vyvoj-2/vyzva-k-podavani-navrhu-spolecnych-cesko-francouzskych-8) and the foreign investigators (based on Programme Barrande 2021 conditions https://www.campusfrance.org/fr/barrande). The Czech and French parts of the project must be identical in terms of content and themes. Several Czech research institutions can participate, however only one main proposer has (goals, originality, expected output, methodology) to be designated on the Czech side of joint research project. The proposal has to be submitted only via data box (datová schránka) vidaawt. The proposal has to be originally signed, stamped and dated by the institution's legal representatives of all participating Czech institutions.

Proposal consists of	All forms are available in Czech version only. 1) Project proposal “Návrh projektu” (project overview, expected outputs, objectives, French proposer - team, Czech proposer - team, budget, annexes) 2) CV's of the Czech and French PI and all Czech teams members “Profesní životopis” 3) Solemn declaration of the eligibility to solve the project “Čestné prohlášení o způsobilosti k řešení projektu” (relevant for all Czech proposers) 4) Consent to the processing of personal data “Souhlas se zpracováním osobních údajů” (relevant for all Czech proposers) 5) Guideline of good practices
Evaluation criteria	• Scientific and practical value of the project (goals, originality, expected output, methodology) • Competence of the research team (team research quality and background, young team members) • Mobility requirements (number and length of stays, number of person)
Research areas	• All research areas
