

## Director's Decree V2020-06

August 27, 2020

### Organizational changes

Effective September 1, 2020, the following organizational changes will be made in the "NMR Spectroscopy" Research-Service Group:

1. As of August 31, 2020, David Šaman will resign as a group leader and will be transferred to an Emeritus Scientist position since September 1, 2020.
2. Effective September 1, 2020, I will appoint Martin Dračínský as the new group leader; Radek Pohl will become the deputy leader.

Effective September 1, 2020, I will appoint Ondřej Pačes as the "Development Center" Service Group leader. Michal Lebl will become the deputy leader.

Zdeněk Hostomský  
Institute Director
