Provider	German Academic Exchange Services (DAAD), DAAD Information Centre Prague c/o Goethe Institute; www.daad.cz Czech logistic provider: Akademická informační agentura (AIA); Dům zahraniční spolupráce, Na Poříčí 1035/4; CZ-110 00 Praha; Ms. Sabine Borovanska; aia@dzs.cz; +420 221 850 504
Call identifier	DAAD LTRG 2022
Call info	The aim of this scholarship is to provide an opportunity to carry out research or continue education in Germany and to promote research projects and the exchange of experience and networking amongst colleagues.
Conditions / Restrictions	Select call for application from the scholarship database www.funding-guide.de Application portal opens about 6 weeks before the deadline (early October). Applicants who have been resident in Germany for longer than 15 months at the application deadline are not eligible. The grant is non-renewable. Language skills: for the natural sciences and engineering, proof of good English language skills is acceptable if English is spoken at the host institute. Certificates, proof of credits, certifications and translations may be scanned in non-certified form and uploaded to the DAAD portal. The DAAD may request certified copies of the documents.
Proposal consists of	The application must be submitted online through the DAAD Portal https://www.mydaad.de/en/, which opens about 6 weeks before the deadline. Documents to be uploaded to the DAAD portal: • Online application form

	- CV in tabular form (max. 3 pages) - List of publications (max. 10 pages) - Description of research proposal and previous research (max. 10 pages) - Schedule of planned research - Letter confirming supervision by an academic adviser in Germany, which refers to the applicant's proposal and confirms that the host institute will provide a workplace - University degree certificate indicating final grade(s) - Other support documents (e.g. training and employment certificates) - Language certificate in the language in which the doctorate is carried out (likely English in the case of natural sciences)* - Proof of admission to a doctoral programme at the home university - Copy of school-leaving certificate which entitles holder to study at a university) - German or English translations of documents submitted in national language - All university certificates on all annual examinations with individual grade(s) - Reference letter from a university teacher (hand-signed, sent by post) Also send 1 copy of the "Application summary" (PDF file), which is generated in the DAAD portal after the online application procedure has been completed, by post to Akademická informační agentura (AIA); Dům zahraniční spolupráce, Na Poříčí 1035/4; CZ-110 00 Praha. **Current note (2021):** *if you are unable to submit a language certificate due to Corona, please upload an appropriate justification with a self-assessment of your current language level according to the CEFR scale instead of the missing document. If you acquire a language certificate after the application deadline, please submit it. You can find tips for the self-assessment of your language skills in FAQs section A point 8.
Evaluation criteria	- Academic Qualifications (university degree certificates, achievements, references, list of publications) - Quality of research project (quality of presentation and preliminary work, originality, topicality, feasibility, relevance, reasons for choosing Germany/host institution, integration into overall PhD, importance of research stay for professional development) - Additional criteria (CV, e.g. additional skills, involvement in higher education policy, family eg. parental leave, etc.)
Research areas	All research areas
