Academy Council, Science Council of the CAS

only members of the **Academic Assembly** may be candidates to the councils.

All candidates to AC, SC and AA need to be elected by the institute's

 **Assembly of Researchers** - categories from V3 (postdocs) to V7 (emeriti)

At IOCB – 272 eligible voters – over 50% needed to have a quorum, each candidate needs more than 50% vote to be nominated or supported

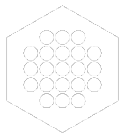

A complicated and formalistic process

Election fatigue, lack of interest, need to twist arms and beg people to vote
