Quantitative Evaluation of IOCB Groups

The Quantitative Evaluation - rules

- Directive S2021-02:
- Only such outputs can be included in the evaluation which have been entered in the ASEP [Automated System for Publication Index] database
- A group's performance is numerically evaluated by means of the group performance index (GPI) based on the formula

$$\text{GPI} = J + B + C + D + P + T + S + L$$

J - articles published in a high-impact journal

B = specialised books

C = chapters of a book

The Quantitative Evaluation – deadline

D = article in a collection

P = patent granted

T = operation on a semi-industrial scale, attested technology

S = prototype, implemented methodology, functional sample,
authorised software, utility and industrial design

L = income from licence fees and other income from the application of IPs

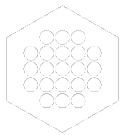

- The ITS - Library (contact person: Marie Odehnalová, ext. 418) will provide the group leaders with a list of the allowable results as an abstract from the ASEP database

The Quantitative Evaluation – deadline

- Please forward the edited list to the director's office by **March 31, 2021**
- hard copy with highlighted group members or via e-mail: uochb@uochb.cas.cz,
- subject: Quantitative Evaluation

IOCB Most Significant Publications 2020

Change of rules for 2020 !

Most significant publications in 2020

- **PHYS** Physical and Theoretical Chemistry
- **CHEM** Medicinal and Organic Chemistry
- **BIO** Biochemistry and Molecular Biology

Each group may submit **up to two significant papers** published in 2020 **regardless of category**.

Semi-autonomous units within larger groups may submit their own papers if the group leader is not listed as co-author. The papers will be pre-screened internally before they are sent to the external panel (IAB members, *ad hoc* reviewers) as well as to an internal IOCB panel (group leaders and management). 3 to 5 papers in each category will be awarded prizes in the form of group money.

Internal pre-Selection

- Pre-selection panel is composed of the external members of IOCB Board, Adjunct Professors and the Director.
 - Typically, only papers with principal or corresponding author from IOCB should be submitted.
 - Papers not meeting these criteria may still be submitted, but only the work done at IOCB will be judged.
 - Print version date counts
- Assignment to categories will be checked

Most Significant Publications - 2019

for comparison

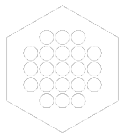

- **PHYS** (11 for 2019)
- **CHEM** (8 for 2019)
- **BIO** (8 for 2019)

Most Significant Publications - 2020

- Proportional distribution of 3M CZK to the groups (another 3M will be distributed for the winning most significant publications).
- Please send pdf files via e-mail: uochb@uochb.cas.cz, subject: „Most Significant Publication“
- Submission deadline – **March 15, 2021**

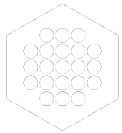

Thunovská 16

A new IOCB real estate acquisition

IOCB Properties

- Training Center Malá Dolní Úpa (Krkonoše Mountains)
- Villa Břevnov – short term accommodation
- Papírenská – IOCB Development Center

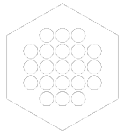

- Villa Glinkova - short term accommodation
- Villa Suchdol - short term accommodation
- Thunovská apartment complex

- Land in Krč
- Training Center Hojsova Stráž (Šumava Mountains)

Thunovská 16 Apartment Complex

- A rare and unique opportunity
- Safe diversification of assets, potential for long-term appreciation, satisfying institute's needs
- The Thunovská acquisition is sui generis. As no construction activities are required, it's budget neutral

Thunovská 16

IOCB bought newly renovated building (traditional Prague Townhouse) in Thunovská street.

The Building itself consists of 30 fully equipped apartments, 2 offices, 1 non-residential space and 1 restaurant.

Thunovská 16

The final price of the building with all equipment is CZK 418,000,000 (VAT excluded). It is considered a long term investment.

The advantage of this investment lies in the opportunity to provide accommodation to our employees.

Rent of the building will cover all costs associated with this property.

Thunovská 16

The Building is currently rented till the end of April 2021 to a private company (Prague Port s.r.o.). IOCB will receive 50% of the total rental income (from January 1st to April 30th.). Monthly income will be roughly CZK 250,000.

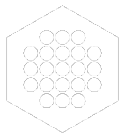

Thunovská 16

Restaurant

Tenancy relationship with the current tenant is being revised (C.C.L. Prague Pubs s.r.o.). We are rather focused on quality of the services than monetary income. It seems that our current tenant won't be able to meet our expectations. We are looking for a more suitable long term tenant.
