April 13, 2011

Prof. Erick M. CARREIRA

Laboratory of Organic Chemistry, ETH Zürich

Discovery and Surprises with Natural Products

June 15, 2011

Prof. Itamar WILLNER

Institute of Chemistry, The Hebrew University of Jerusalem

Biomolecular Nanostructures for Sensing, Machinery and Nanocircuitry

Dear Zdenek:

We have had an uneventful trip back to Berlin, and this is just to thank you, also on behalf of Enga, for your extraordinary hospitality. **I have enjoyed each minute of my stay both socially and professionally – and the Institute you are heading is, no doubt, first rate and you have good reason to be proud of the many achievements.**

With best personal regards, also to Irena,

Cordially

Helmut
