Reservation rules

Reservations can be made electronically or by making arrangements with the corresponding lodge caretaker. Reservation must be made 175 days prior to the stay at most. Group events such as group meetings, team buildings etc., which are paid for by the individual teams, can be arranged up to 9 months in advance. Reservation must be made with the corresponding lodge caretaker.

It is not allowed to book the entire lodge for private stay nor for any group events during spring break (depending on Prague spring break terms), Winter, Summer, Christmas or Easter holidays. The lodge is designated for employees with families and children during these time periods.

Group events can be held from Sunday afternoon to Friday noon. Weekends are designated for private stays only. It is necessary to collect the lodge keys 3 workdays prior to stay at the latest, otherwise the reservation forfeits. The Accommodation voucher and the lodge keys must be returned immediately after the end of your stay. Time can be extended upon agreement with the lodge caretaker. The Accommodation voucher needs to be filled-in, including the private information of every person staying with you for the reasons of paying the tourist tax to municipalities.
