

Prize in Pharmacy 2021

Fondation pour la Recherche en Chimie / Université de Strasbourg / Embassy of France in the Czech Republic

Article 1 **Scope of the competition**

Jean-Marie Lehn and the French Embassy in the Czech Republic organize a competition for the “Fondation Recherche en Chimie / Université de Strasbourg Prize for Pharmacy” in 2021.

The goal of this competition is to award the best PhD research work in **experimental biomedical and pharmaceutical research**. Every institution of research and higher education in pharmacy in the Czech Republic may propose high level candidates.

Article 2 **Institutions involved and coordinators**

All institutions of research and higher education (university and institutes of the Czech Academy of Sciences) may enlist their students in the competition for the “Prize in Pharmacy – Fondation pour la Recherche en Chimie / Université de Strasbourg”.

They have to designate a coordinator and provide his or her name to the scientific department of the French Embassy in the Czech Republic **at the latest by July 11th, 2021**.

Article 3 **Criteria for selecting participants**

All students of Czech universities, institutions of higher education and institutes of the Czech Academy of Sciences may take part in the competition provided they fulfill the following conditions:

- Their PhD research is encompassed within the topic defined in Article 1
- They are of Czech or Slovak nationality and are **younger than 33 years on July 1st 2021***.
- They work only in a research university or academic departments and facilities - **neither in a hospital nor a health-care institution**.
- They are currently enrolled in a doctorate cycle at a Czech institution of research and higher education **or** they have defended their PhD dissertation in 2020 or 2021.
- Their PhD studies do not collude with any work for the Fondation pour la Recherche en Chimie / Université de Strasbourg.
- They are the author of at least one scientific article published or accepted for publication (to be proven by a letter from the editor) in a peer-reviewed international periodical.

** Extensions can be granted to applicants who took a break from their studies for maternity or parental leave.. The coordinator must inform the French Embassy of such cases to make sure the conditions are fulfilled.*

Article 4 **Role of the coordinator**

The coordinator of the “Prize in Pharmacy – Fondation pour la Recherche en Chimie / Université de Strasbourg” 2021 project has the task of organizing the selection of the best participants from the ranks of

the students enrolled at the given institution of research or higher education. These candidates will then be entered by the relevant institution in the competition.

The coordinator shall verify that individual participants fulfill the conditions for participating in the competition (see Article 3). It is their responsibility to check their eligibility. Subsequently, he/she shall give to the French Embassy in the Czech Republic the names and contact information – personal and work – of all candidates taking part in the competition using the model in annex 1 **at the latest by July 28th 2021.**

At the same time, the coordinators must indicate if they or another representative from their institution will sit on the evaluation committee –if they will not sit, they must provide the name of the representative that will (see Articles 6 and 9).

Institutions with no candidates will not be represented in the evaluation committee.

Each coordinator must choose **a maximum of two candidates** for each higher education or research institution as a whole. The president of the selection committee and the attachée for scientific and university cooperation of the French Embassy in the Czech Republic may preselect candidates should there be too many applications.

Article 5 **Applications to the competition**

Each candidate must send by email the complete Application package described in **Annex 2** to the French Embassy in the Czech Republic (scientific department) **at the latest by August 25th, 2021.**

Article 6 **Selection committee**

The selection committee will meet on September 14th 2021.

The committee should be presided over by Dr. Daniel Scherman, Director of the French Foundation for Rare Diseases. Further members of this professional selection committee shall be:

- The attachée for scientific and university cooperation of the French Embassy in the Czech Republic.
- One representative of each institution of research and higher education from which candidates have been selected.

Individual applicants shall be invited by the French Embassy. They will present orally – in French or in English – their PhD research to the committee. Presentations shall last 10 minutes, followed by a 10 minutes Q&A.

After the oral presentation, the selection committee shall proceed with the final deliberations. The evaluation of the commission shall be recorded in the protocol. The laureates of the “Prize in Pharmacy – Fondation pour la Recherche en Chimie / Université de Strasbourg” 2021 will be informed of the results of the competition within a week after selection committee’s meeting.

Article 7 **Financial Subsidies and Stipends**

- **1st Prize:** 65,000 CZK and a stipend for a one-month internship in France
- **2nd Prize:** 40,000 CZK and a stipend for a one-month internship in France
- **3rd Prize:** 25,000 CZK

The award prizes are provided to the universities where the laureates studied and the universities will send the money to the winners.

Stipends for internships in France are provided by the French Embassy in the Czech Republic. These internships must take place in a French research center, and that at the latest by December 15th 2022.

Winners must confirm to the French Embassy by **January 31, 2022** whether they will conduct the internship or not. The scientific research center shall be chosen entirely by the laureates. We remind the candidates that this grant awarded by the French embassy **is meant to support an internship and not a post-doc contract.**

Article 8 **Awarding Ceremony**

The official awarding of the Prize will take place on **September 30th, 2021** at the French Embassy in the presence of His Excellency, the Ambassador of France to the Czech Republic. The awards will be given to the laureates by Professor Jean-Marie Lehn, the Nobel Laureate in Chemistry.

The formal ceremony shall be attended not only by all awarded students, but also by their PhD supervisors and the representatives of the universities, institutions of higher education and institutes of the Czech Academy of Sciences.

Students might be invited to cooperate with the media (e.g. interviews) and understand that media materials from ceremonial may be used for marketing purposes.

Article 9 **Time Schedule**

July 8th, 2021	Designation of project coordinators at institutions of higher education.
July 28th, 2021	The coordinators inform the French Embassy of: - the names and contact information of applicants entered for their institution of research and/or higher education. - The names and contacts of the representative of their institution that will sit in the evaluation committee—either them or someone else.
August 25th, 2021	Deadline for sending the complete documentation of applications at the following address: sciences.prague@gmail.com .
September 14th, 2021	Oral presentations by candidates before the selection committee.
September 30th, 2021	Awarding ceremony.
At the latest by December 15th 2022	Internship of awarded students in France.

Annex 1: Letter of nominated candidates

Annex 2: Application Package

The application package must be sent by the candidate himself.

It includes:

- An academic curriculum vitae, including a list of publications. **For publications in a peer-reviewed academic journal recognized by such databases as Web of Science or Scopus, please indicate their ranking.**
- A max. 5 pages-long—**word format**—, illustrations included, presentation of the applicant's research activities and applicability prospects in English
- A max. half-page long summary of the above-mentioned presentation with basic information from the aforementioned presentation in Czech and in English
- A signed letter of recommendation with letterhead of the institution written by the applicant's scientific supervisor, presenting both the student and his research work.

All documents should be put in PDF format and sent altogether in the same email and in the same zip file to sciences.prague@gmail.com. The title of the email and file should be as follow: “**Pharmacy – First letter of Surname. Name – University acronym – Faculty or Institute**”. Please, do not put any accent in titles of the documents and files.

Candidates to the “Prize in Pharmacy – Fondation pour la Recherche en Chimie / Université de Strasbourg” award also need to sign up [here](#) to complete their application.

Applications that will not respect these indications will not be accepted.
