Call info	The aim of this programme is to support short-term research stays and thus promote exchange of experience and networking amongst colleagues. Aimed at research stays at state or state-recognised institutions of higher education or non-university research institutes in Germany. A research stay can also take place at several host institutions.
Conditions / Restrictions	Applicants must work at a university or institute of higher education in their home country. The research project must be coordinated with an academic host institute in Germany. The applicant must be provided with a workplace. Select call for application from the scholarship database www.funding-guide.de Application portal opens about 6 weeks before the deadline ((B)early October). Funding may only be claimed once within three years. Lecture tours or visits to congresses are not funded. Health insurance coverage is mandatory in Germany. If you do not have a corresponding home insurance, you will be insured by the DAAD. The cost will be deducted from the scholarship payment. The grant is non-renewable.
Proposal consists of	The application must be submitted online through the DAAD Portal https://www.mydaad.de/en/ , which opens about 6 weeks before the deadline.
