
Director's Decree V2022-07

June 25, 2022

Appointment of International Advisory Board

Effective from July 1, 2022, I appoint a new International Advisory Board with the following composition:

Chairman: Prof. Burkhard König, Ph.D. (University of Regensburg, Germany)

Members:

- Prof. Karl-Heinz Altmann, Ph.D. (ETH Zürich, Switzerland)
- Prof. Wilhelm Boland, Ph.D. (MPI for Chemical Ecology, Jena, Germany)
- Prof. Agnieszka Chacińska, Ph.D. (University of Warsaw, Poland)
- Prof. Jeremy Harvey, Ph.D. (Katholieke Universiteit Leuven, Belgium)
- Prof. Lanny S. Liebeskind, Ph.D. (Emory University, Atlanta, USA)
- Prof. Annemieke Madder, Ph.D. (University of Ghent, Belgium)
- Prof. Marko Mihovilovic, Ph.D. (Vienna University of Technology, Austria)
- Prof. Angela Russell, Ph.D. (University of Oxford, UK)
- Prof. Irit Sagi, Ph.D. (Weizmann Institute of Science, Rehovot, Israel)
- Dr. Alexander Wlodawer, Ph.D. (National Cancer Institute, Frederick, USA)
- Prof. Nenad Ban, PhD. (ETH Zurich, Švýcarsko)

The main task of the International Advisory Board is to evaluate the research groups at IOCB, provide constructive feedback and suggest future goals and strategies.

Prof. RNDr. Jan Konvalinka, PhD.
Institute Director
