Requests for date changes will require the authorization of the Chairperson of the FEBS Fellowships Committee.
Allocation for the call	NA
Project budget (min-max)	<b>3500 EUR</b>
Success rate	NA
Eligible costs	Travel costs, daily subsistence allowance
Mode of funding	Ex-ante
Language of application	English
Provider	FEBS, Suite B1, Third Floor, St Andrew's House, 59 St Andrew's Street, Cambridge, CB2 3BZ, UK, <a href="http://www.febs.org">www.febs.org</a> Chair of the FEBS Fellowships Committee: Alain Krol, Institute of Molecular and Cellular Biology, University of Strasbourg - CNRS, 2 allée Konrad Roentgen, 67084 Strasbourg Cedex, France, +33 (0)3 88 41 70 50, email contact via <a href="https://www.febs.org/contact-us/">https://www.febs.org/contact-us/</a>
Call identifier	FEBS-Summer-2023
Call info	FEBS Summer Fellowships are awarded to young promising masters and PhD students in a FEBS country wishing to gain practical scientific experience in biochemistry and molecular biology in an institution located in another country within the FEBS area.
Conditions / Restrictions	Applicants are currently engaged in research for a master or PhD degree in biochemistry or molecular biology and have not yet submitted a doctoral thesis. Applicants are working in a laboratory in a FEBS member country and are seeking to work in a laboratory in a different FEBS member country. Applicants have never been the recipients of a FEBS Summer Fellowship. Fellowships are not awarded for attendance at courses, symposia, meetings or congresses.

	<p>The FEBS Fellowship should be acknowledged in any work published relating to the project funded and a reprint of each article should be sent electronically to the Chairperson of the Fellowships Committee.</p> <p>Within three months of completion of the Fellowship, recipients must send electronically to the Chairperson of the FEBS Fellowships Committee a short report detailing the work done. The author of the report judged to be the best in that year will receive a prize, which currently amounts to 500 EUR.</p> <p>Only one application per PI will be funded.</p>
Proposal consists of	<p>Online application: <a href="https://fellowships.febs.org/summer_2023/registration/index/">https://fellowships.febs.org/summer_2023/registration/index/</a></p> <ol style="list-style-type: none"> <li>1) <b>Short description of the work</b> (max 2 A4 pages uploaded in PDF format) (applicant)</li> <li>2) <b>Short CV</b> with a list of publications in the format required by the FEBS Journal (<a href="https://febs.onlinelibrary.wiley.com/hub/journal/17424658/journal-menu/author-guidelines#references">https://febs.onlinelibrary.wiley.com/hub/journal/17424658/journal-menu/author-guidelines#references</a>) and a list of conference abstracts (applicant)</li> <li>3) <b>Host acceptance form</b> on official form downloadable from the application system (head &amp; supervisor of the host institution)</li> <li>4) <b>Referee letter</b> as a letterheaded document: opinion on applicant's practical skills, scientific curiosity, dedication, strong/weak points and degree of maturity (referee from the institution where the applicant has worked or studied)</li> </ol>
Evaluation criteria	NA; quality of the project to be developed in the host laboratory, quality of the host laboratory
Research areas	Biochemistry, molecular biology
Call workshop	None
