

Deadline	<b>Fri 12 May 2023 12:00 (midday) CEST (IOCB deadline Wed 10 May 2023)</b>
Call name	<b>2<sup>nd</sup> Joint Call on Clean Energy, Bio and Material Fields</b>
www	MEYS: <a href="https://www.msmt.cz/vyzkum-a-vyvoj-2/vyzva-k-predkladani-navrhu-projektu-ve-formatu-v4-korejska-1-1">https://www.msmt.cz/vyzkum-a-vyvoj-2/vyzva-k-predkladani-navrhu-projektu-ve-formatu-v4-korejska-1-1</a>
Focused on	Clean Energy and Bio and Material fields
PI	Consortium of at least 3 eligible partners: one from Korea and min. two from two different V4 countries (senior researchers, junior researchers, postdocs). Priority will be given to consortium of partners from 5 countries.
Eligible organisation	Research organisations / public higher education institutions, public and private legal RTD entities, SMEs; national/regional regulations may apply. V4 countries: Czech Republic, Hungary, Poland, and Slovakia.
Target group	Multinational research groups collaboration: Consortium of at least 3 countries (1 from KR and min. 2 from V4 countries). Principle project leader must be from Korea.
Expected outputs	Not specified
Call opens	30 Mar 2023
IOCB deadline	<b>Wed 10 May 2023</b>
Final deadline	<b>Fri 12 May 2023 12:00 (midday) CEST</b> One joint proposal per consortium-submission website: <a href="http://www.iris.go.kr">www.iris.go.kr</a> Czech participant: to the MEYS: no additional proposal, just the Statutory declaration must be submitted to the MEYS y via email: <a href="mailto:jirina.frycova@msmt.cz">jirina.frycova@msmt.cz</a>
Evaluation results	End of June 2023
Signature of agreement	June – September 2023
Earliest date of implementation	End of July 2023
Latest date of implementation	July 2026
Sustainability	None
Reporting	At national level only; for Czech participants – MEYS, annual and final reports 31 January);
Project duration (min-max)	<b>up to 36 months</b>
Allocation for the call	Total 2,430,000 EUR (MEYS 500,000 EUR)
Project budget (min-max)	MEYS max. 4 projects; 125,000 EUR/project
Success rate	5 JRP
Eligible costs	For the Czech applicant <b>MEYS:</b> (in accordance with Act. No 130/2002 Coll.); direct costs (research materials and small-scale research equipment, subcontracting, personnel and travel costs) and indirect costs (overheads max 25% (fat rate) of direct costs without subcontracting). The eligibility of all costs for each applicant depends on the relevant national/regional regulations.
Reimbursement	100 % for research institutes and universities
Mode of funding	ex-ante
Language of application	English
Provider	Consortium of five countries (Korea + V4 countries) for Czech participants: MEYS <b>National Research Foundation of Korea (NRF);</b> <a href="http://www.nrf.re.kr/eng/index">www.nrf.re.kr/eng/index</a> Directorate of International Affairs: Mr. Yang Sehyung; <a href="mailto:ysh9167@nrf.re.kr">ysh9167@nrf.re.kr</a> ; +82 2 3460 5618 <b>Ministry of Education, Youth and Sports (MEYS),</b> <a href="http://www.msmt.cz">www.msmt.cz</a> Mrs. Jiřina Fryčová; <a href="mailto:jirina.frycova@msmt.cz">jirina.frycova@msmt.cz</a> ; +420 234 811 683
Call identifier	V4-KOR JRP-2023
Call info	Korea + V4 countries joint call aims to development of high quality research networking and to pursue state-of-the-art science and technology through collaboration, towards

	realization of innovative and robust economies and societies in participating countries. This call is focus on the Clean Energy, Bio and Material fields..
Conditions / Restrictions	Principle project leader must be from Korea. Thematic focus on the Clean Energy, Bio- and Material Fields.
Proposal consists of	<b>Joint project proposal:</b> A: Project Summary, Financial Summary, Work packages Summary. General information B1: abstract, objectives, project description, scientific excellence, project coordination and management, history of the collaborative project (max. 2 pgs. each part); B2: work plan (max. 3 pgs.) work packages; B3: importance of international cooperation: expected impact of project results, added value of multilateral cooperation (max. 2 pgs. each part), short CV (max. 1 p/main partner; B4: Budget plan and justification.
Evaluation criteria	International, independent evaluation by at least three peers. Criteria:1) Scientific excellence of the project and project partners; 2) Methodology and work plan 3) Expected impact of project results; 4) Added value of multilateral cooperation. Maximum score 20 points; each criterion max. 5 points; no threshold;
Research areas	Clean Energy, Bio- and Material research
Call workshop
