Meeting with Team Leaders

June 4th 2008

SOCIETAS SCIENTIARUM BOHEMICA

DOMINO CLARISSIMO

Antonín HOLÝ

DE SCIENTIA AC PERVESTIGATIONE OPTIME MERITO

NUMISMA HONORIS
SOCIETATIS SCIENTIARUM BOHEMICAЕ

TRIBUIT

In culus rei fidem praeses Societatis scientiarum Bohemicae
praesentes litteras manu propria subscripsit

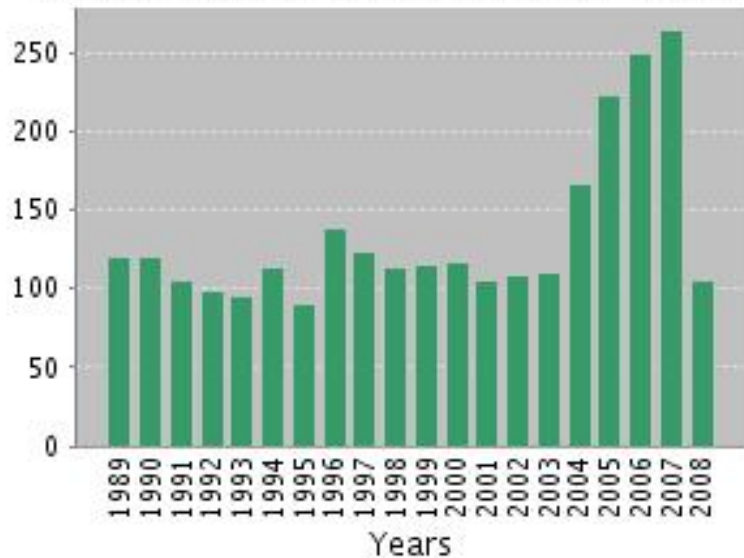

Pragae Anno Domini MMVIII

praeses

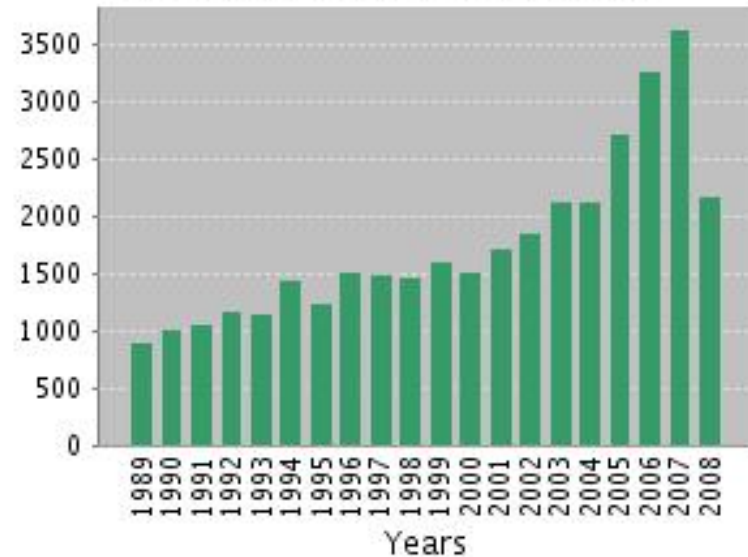

Publication activity of IOCB - in the middle of the year -

Published Items in Each Year

Citations in Each Year

Invited Lecture Series

June 6, 2008 ***Novel Aromatics as the Core of Nano-Scale Materials***
Prof. Jay S. SIEGEL, Organisch-chemisches Institut, Universität Zürich,
Zürich, Switzerland

June 12, 2008 ***Catalysis for Total Synthesis***
Prof. Alois FÜRSTNER, Max-Planck-Institut für Kohlenforschung, Mülheim,
Germany

June 20, 2008 ***Molecules: Nanoscale Functional Units***
Prof. Marcel MAYOR, Department of Chemistry, University of Basel, Basel,
Switzerland

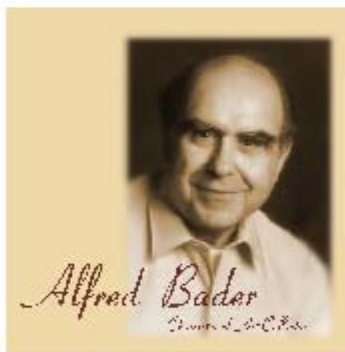

Friday

SIGMA-ALDRICH®

Zveme vás na přednášku zakladatele firmy Aldrich

dr. Alfreda Badera

"Richard Anschütz, Archibald Scott Couper and Josef Loschmidt: A Detective at Work"

která se bude konat

16.června 2008

od 14:00 hodin

ve Velké zasedačce

(Ústav organické chemie a biochemie AV ČR, v.v.i.,

Flemingovo nám. 2. , 166 10 Praha 6)

Srdečně vás zveme a těšíme se na vaši účast i

Sigma-Aldrich spol. s r.o.

Ruđer Bošković Institute

Visit of IOCB, June 24, Tuesday

Prof. Mladen Zinic, Director General

Dr. Mirjana Kaksic, Head, Dept. Org. Chem Biochem.

Prof. Kresimir Pavelic, Head, Dept. Molecular Medicine

Dr. Igor Weber, Head, Dept. Molecular Biology

Dr. Marin Roje, Director, Chirallica Ltd.

Prof. Drazen Vikić-Topić, former head of NMR, State Secretary for Science

Theoretical Physics Division

Division of Experimental Physics

Division of Materials Physics

Division of Electronics

Division of Physical Chemistry

Division of Organic Chemistry and Biochemistry

Division of Materials Chemistry

Division of Molecular Biology

Division of Molecular Medicine

Center for Marine Research

Division for Marine and Environmental Research

Division of Laser and Atomic Research and Development

Gilead visits

June 6:

Discussions with the GSRC members

June 11:

Frank Grassler, Vice President of Intellectual Property

Mark Bosse, Senior Advisor (Former Vice President of Intellectual Property)

Tomas Cihlar

Brian Sander, Associate Director, Legal

Handover of official letters specifying the royalties from future (eventual) sale of:

GS-9219 (cancer)

GS-9191 (papilomavirus)

GS-9131 (HIV)

Call for submission of the joint projects of Czech and Japan institutions for the years 2009-2010

In frame of Memorandum between CAS and Japan Society for the Promotion
of Science

Two projects a year will be selected for support

Deadline August 31

Details in secretariat

U.S. - CZECH S&T COOPERATION

Support of joint Czech - U.S. projects is based on the Agreement between the Government of the United States of America and the Government of the Czech Republic on Scientific and Technological Cooperation.

The Ministry of Education, Youth and Sports of the Czech Republic ([MEYS](#)) and the [U.S. Department of State](#) are the executive agents that monitor and coordinate cooperation in accordance with the Agreement. The MEYS authorized the [American Science Information Center](#) ([AMVIS](#)) to collect and evaluate Czech applications for bilateral cooperation and to prepare materials for the Joint Board meetings. Based on the proposals per review, the Joint Board recommends projects for approval to the MEYS within the public tender "[KONTAKT Programme](#)"

TYPES OF ACTIVITIES

1. Joint **Research Project** - projects usually last 4 years, but may vary depending on the kind of research performed. The Czech Principal Investigator prepares a proposal together with his/her U.S. counterpart.
2. Joint **Scientific Conferences, Symposia, Courses and Workshops** - sharply focused conferences, symposia, courses, and workshops in the CR or the USA of up to 10 scientists and researchers from each side. Scientists from other countries may participate at their own expense, upon invitation of the organizers. The typical duration is three to five days

Details in secretariat

Agreement between AS CR and Mahidol University,
Bangkok, Thailand

http://www.avcr.cz/zho_smlouvy.php

Finances can be used for visits already this year

Price of the publishing house ACADEMIA

Categories:

- Original scientific paper, popularization paper
- Translation
- Graphical interpretation
- Book of the year

Applications from September 1 till December 31

Accredited PhD studies with Charles University, Faculty of Natural Science

1. Analytical Chemistry (A + Cz)
2. Modeling of Chemical Properties of Nano- and Biostructures (A + Cz)
3. Organic Chemistry (A + Cz)
4. Physical Chemistry (A + Cz)

Faculty of Mathematics and Physics (agreement)

1. Physics
2. Biophysics
3. Chemical and macromolecular physics

IOCB Grant Office

Starting July 1st, IOCB is opening the Grant Office:

- **Monitoring of national and international calls**
- **Help with the preparation of the applications**
- **Administration of the grants**
- **Registration of the archiving of the documents**
- **Checking the deadlines**
- **Checking the rules, financial flows**

Ing. Renata Šroglová, coming from the Head Office of AS CR
