Visegrad–Taiwan Scholarships facilitate academic mobility between the V4 region and Taiwan by providing financial support to PhD candidates and doctoral and post-doctoral researchers, who are citizens of the V4 countries, to study/conduct research at selected higher-education institutions in Taiwan.

About

Visegrad–Taiwan Scholarships offer funding for PhD candidates (early-stage researchers), and doctoral and postdoctoral scholars (experienced researchers) to study/conduct research in Taiwan.

Conditions

- ☐ Eligible candidates: Visegrad–Taiwan Scholarships offer funding for **PhD candidates** (early-stage researchers), and **doctoral** and **postdoctoral scholars** (experienced researchers) to study/conduct research in Taiwan.
- ☐ Areas of support: a) **Nanotechnology**, b) **Electro-technical industry**, c) **Biotechnology**, d) **Information technology**, e) **Public health**, f) **Social sciences and humanities**, or g) **Other**
- ☐ Length of support: 1–10 months
- ☐ The amount of the support is **€1,000/month** for each scholar + **€1,000** in the form of a one-time travel grant (tuition and other costs associated with the research are covered by the Taiwanese side)

How to apply

The application must be submitted on-line via [My Visegrad](#) between August 1 and September 30, 2023, 12.00 PM CEST (noon) and must include the following enclosures in English or accompanied by certified translation:

- A scan of the **highest obtained university diploma with transcript** (in English or translated into English);
- Scanned verified **confirmation of current enrollment/involvement** in PhD study/research issued by the present university/institution (document on a letterhead paper and confirmed—i.e., stamped and signed—by the present university/institution);
- A scanned **letter of acceptance** or an equivalent document (e.g., invitation letter) from the host university/institution containing **a detailed working plan** of the study/research period (not older than 3 months when submitting the application)—please consult the list of eligible host institutions (below);
- Scans of **two letters of recommendation**, with one of them issued by the supervisor (leader of the research group in case of postdoctoral scholars) at the present university/institution, stating that the supervisor/leader agrees with the proposed stay abroad
