Call identifier	CSIC – Mobility Plus Projects 2024–25
Call info	Program aims to support development of collaboration of the CAS institutes with research institutions in Spain.
Conditions / Restrictions	Project proposals must be submitted in parallel to both partner organizations. CZ project proposal must be submitted via the KIS application. You must register in the KIS application using the following link and fill in a project proposal. After finishing your proposal, you shall forward it through your KIS account to the IOCB Director for its approval. The Director shall approve and submit your proposal via his KIS account. All Czech team members must be employees of the CAS. The team should be composed of principal investigators from both research institutions and other co-investigators, including young researchers, postdoctoral fellows and / or PhD students. At least 1/3 of all team members must be junior researchers or PhD students.

	Please be aware that the date of announcement of the call for project submission might differ on the CSIC side. The course of project implementation will be monitored through annual and final reports including use of financial means and justification of costs.
Proposal consists of	Mobility Plus Project Proposal form CZ for CAS (CZ applicant) Abstract (en/cz max 1100 characters incl. spaces); Summary of Research Plans of the Czech Partner, their implementation and justification of proposed collaboration (max. 5 000 characters incl. spaces); Research teams description (max 2,500 characters incl. spaces), budget description, Czech PI: CV (max 1 page) + list of 5 relevant publications (1 page), foreign PI: CV (max 1 page) + CV of all foreign partner's team members (1 page/person) + list of 5 relevant publications (1 page)
Evaluation criteria	Two-step evaluation: national level & international level 1) Quality of the project: scientific relevance, concept, innovative character, methodology, work plan of activities and outputs, impact of project results and their dissemination 2) Quality of research teams: composition and expertise of research teams, complementarity, methodology, equipment, previous cooperation and outputs, justification of collaboration needs 3) Active involvement of junior researchers and PhD students 4) Added value and broader impact of bilateral cooperation
Research areas	All research areas
Call workshop	Not available
IOCB contact	Please inform the IOCB Project Office about your intention to apply. Do not hesitate to contact us anytime for consulting, discussion or help. Veronika Palečková, veronika.paleckova@uochb.cas.cz , 420 220 183 266 Jitka Šilerová, jitka.silerova@uochb.cas.cz , +420 220 183 229
