

Deadline	Throughout the year
Call name	Walter Benjamin Programme
WWW	DFG call
Focused on	The programme enables researchers in the postdoctoral training phase to independently conduct their own research project at a research institution at a location of their choice. There are two modules: a) Walter Benjamin Fellowship - WBF (outside Germany) b) Walter Benjamin Position - WBP (in Germany)
Applicant	Postdocs in the early postdoctoral training phase. For the Walter Benjamin Position - no restrictions apply (i.e., any nationality) For the Walter Benjamin Fellowship (or a combined proposal) - applicants have worked for at least 3 years in the German research system (doctoral or postdoctoral phase).
Host institution	Research institution in Germany or outside Germany (e.g., IOCB Prague)
Expected outputs	Skills in new scientific research methods, research project; (J) Reviewed publications
Call opens	July 2019
Final deadline	Throughout the year
Evaluation results	The average processing time 6 months
Signature of agreement	-
Earliest date of implementation	Applicant has to start within 1-12 months of being selected
Latest date of implementation	
Sustainability	NA
Reporting Project duration (min-max)	Max. two years
Allocation for the call	NA
Project budget (min-max)	Basic fellowship depends on the country being visited, use the <u>Award Calculator</u> : At least 3,092 EUR per month for the Czech Republic
Success rate	NA
Eligible costs	 The fellowship amount is made up of the basic allowance and, where applicable, additional benefits such as a foreign allowance, cost of living allowance and benefits for parents. A general allowance for direct project costs 250 EUR per months and, where applicable, additional funding for book publication (up to €5,000 per year) will be granted. Additional funds necessary to carry out the project must be provided by the institutions or host researcher.
Mode of funding	Ex-ante
Language of application	English or German
Provider	Deutsche Forschungsgemeinschaft (DFG), Kennedyallee 40, 53175 Bonn, Germany, <u>www.dfg.de;</u> Contacts: <u>Programme contacts</u>
Call identifier	W. Benjamin Fellowship or W. Benjamin Position
Call info	The programme promotes early research careers with the aim of fostering the mobility and thematic development that are crucial in this career phase; the programme enables researchers independently conduct their own research project at a location of their choice.

Restrictions nationality and whether they have previously worked in Germany. They will need to present an "Employer's declaration" (DFG form 41.027) from a German research institution and prove that a local researcher is supporting your career development. For the Walter Benjamin fellowship (or in the case of a combined proposal): Applicants are eligible to submit a proposal only if you completed the majority of your schooling and university education in Germany and if applicant spent no longer than three years abroad for research immediately prior to submitting a proposal, they have worked as a researcher in Germany for a continuous period of at least three years during their doctoral and/or postdoctoral phase. Applicants must not have been working for the host institution selected for the W. Benjamin Fellowship for more than 1 year. The date of the proposal shall apply. Applicants must not have been working for the host institution selected for the W. Benjamin fellowship for more than 1 year. The date of the proposal shall apply. Applicants must not have been working for the host submission, and a statement of the thesis submission and a statement of the thesis submission.
