

To all employees working with genetically modified organisms:

- 1) Everyone who works with genetically modified organisms at the Institute must undergo online training:
<https://pa.rentel.cz/registrace/uochb/index>
 - a) Enter the password "Reg+UOCHB" and click on "přihlásit".
 - b) Click on "Vyberte kurz" and select a course in English from the drop-down menu.
 - c) Proceed with registration (which is in Czech only: Titul/Title, Jméno/Name, Příjmení/Surname, Titul za jménem/Title behind the name, E-mail) and click on "Odeslat".
- 2) The certificate must be printed, signed and delivered to Mrs. Ria Čechová (building C, 4th floor, room C.4.11). We need a signed original certificate from each employee, a scanned document is not enough.
- 3) The list of employees working with GMOs can be viewed at:
https://inraweb.uochb.cas.cz/doc/cms_library/6101.pdf

Milan Kožíšek, Expert advisor for the handling of GMOs at the IOCB
