Certificate of Authorization for the Use of Genetically Modified Organisms

The Ministry of the Environment of the Czech Republic, as the relevant competent authority, hereby confirms the authorization of the Institute of Organic Chemistry and Biochemistry of the Czech Academy of Sciences, registered at Flemingovo náměstí 542/2, 160 00 Prague 6, ID: 61388963, to use genetically modified organisms (GMOs) under the contained use regime in the first, second and third classes, according to § 16 of Act No. 78/2004 Coll., on the use of genetically modified organisms and genetic products, as amended.

The biosafety advisor for the use of GMOs at the Institute of Organic Chemistry and Biochemistry of the Czech Academy of Sciences is Milan Kožíšek, Ph.D., who fully complies with requirements laid down in § 14 of the above mentioned Act.

Information on the authorization to the use of GMOs is publicly available in the Register of GMO Users at <https://www.mzp.cz>.
