

Deadline	Sun 31 March 2024 (IOCB deadline 15 Mar 2024)
Competition name	Neuron Prize 2024 for Connecting Science and Business
www	https://www.nadaceneuron.cz/novinky/nominujte-laureaty-na-ceny-neuron-2024 https://www.nadaceneuron.cz/nominace-na-cenu-neuron-za-propojeni-vedy-a-byznysu-2024
Organiser	The Neuron Endowment Fund; www.nadaceneuron.cz ; info@nadaceneuron.cz
Focused on	Recognition of a successful transfer of a scientific result from the academic into the commercial realm.
Applicant	The prize may be awarded to the relevant scientists, the transfer team, the business entity, the investor, or a combination of all of these, depending on who has contributed most to the transfer.
Criteria/Conditions	Scientific result was produced in (one or more) research organization(s), Innovation, marketability, societal relevance and sustainability of the project are assessed. Eligible period for the 2024 award is the calendar year 2023 (actual licensing or finding an investor or other type of commercialisation occurred during 2023, the research may have been going on for a long time before that).
Institution	Representatives of research organisations, commercial entities, and direct investors can nominate.
IOCB contact	Please consult the Project Office if you require the agreement from the director to be a nominator.
IOCB deadline	Fri 15 Mar 2024
Final deadline	Sun 31 Mar 2024
Evaluation results	May 2024 (selection of candidates)
Awarding ceremony	September/October 2024
Awards	Prize winners are rewarded with an opportunity for mentoring, media coverage and networking with Neuron's business community.
