Mode of funding	Salary – monthly Travel expenses – annual supplement
Language of application	English
Provider	Institute of Organic Chemistry and Biochemistry CAS, Flemingovo nám. 2, 166 10 Praha 6 <a href="mailto:fellowship@uochb.cas.cz">fellowship@uochb.cas.cz</a>
Call identifier	IOCB Postdocs
Call info	IOCB Prague opens up to 10 postdoctoral positions in chemistry and biochemistry per year to support talented postdocs, who did their undergraduate and graduate studies at reputable institutions.
Conditions / Restrictions	The applicant cannot be employed at the IOCB for more than 9 months before the application deadline. IOCB Prague will support only projects of strong candidates, who did their undergraduate and graduate studies at reputable institutions in Czechia (except IOCB) and abroad, based on competitive research that is documented in several original publications in respected journals of the fields. For Czech applicants, international experience is of great advantage. The fellowship must be started within 12 months of the award committee's decision, except in cases of maternity/parental leave (18 months extension). If a later start is intended, the committee will require a new proposal to be submitted. Temporary accommodation in the guest houses of the institute or Czech Academy of Sciences may be offered at an affordable rent.

Proposal consists of	<p>1) <b>CV</b> with contacts (address, e-mail, phone) (postdoc)</p> <p>2) <b>Cover/motivation letter</b> with the envisaged starting date of the fellowship (postdoc)</p> <p>3) <b>Copy of a PhD diploma</b> (postdoc)</p> <p>4) <b>List of publications</b> (postdoc)</p> <p>5) Name of the IOCB partner/supervisor and the envisaged starting date of the fellowship</p> <p>6) <b>Support Letter</b> of the IOCB partner/supervisor (IOCB supervisor)</p> <p>7) <b>Project proposal</b>: state of the art, details of projected investigations, in context with the host group research activities (3–4 pages) (postdoc &amp; IOCB supervisor)</p> <p>8) Envisaged <b>starting date</b> of the fellowship</p> <p>Applicants submit the complete application package (1–8) as a single PDF file to the IOCB supervisor who will forward the application to <a href="mailto:fellowship@uochb.cas.cz">fellowship@uochb.cas.cz</a>.</p> <p>9) <b>Two recommendation Letters</b>: have to be sent by the 2 referees confidentially directly to <a href="mailto:fellowship@uochb.cas.cz">fellowship@uochb.cas.cz</a> (referees)</p> <p><b>Further information may be found at the IOCB webpage at the address:</b>  <a href="https://www.uochb.cz/en/iocb-fellowships">https://www.uochb.cz/en/iocb-fellowships</a></p> <p><b><u>An application for extension must include:</u></b></p> <ol style="list-style-type: none"> <li>1) <b>Cover/motivation letter</b></li> <li>2) <b>Support Letter</b> by the applicant's supervisor</li> <li>3) A <b>summary of the results</b> of the first year not exceeding two to three pages</li> <li>4) <b>Plans for the extension period</b> not exceeding three pages</li> </ol> <p><b><u>The final report must include:</u></b></p> <ol style="list-style-type: none"> <li>1) <b>A cover letter</b></li> <li>2) A <b>summary of the results</b> not exceeding two to three pages</li> <li>3) <b>Copies of publications</b> published or submitted, or drafts of planned publications</li> </ol>
Evaluation criteria	<p>List of original publications in reviewed journals</p> <p>Novelty and quality of the research project</p> <p>Quality of the candidate's CV</p>
Research areas	Chemistry, biochemistry
Call workshop	None
