Call identifier	DAAD – Mobility Plus Projects 2025–26
Call info	Program aims to support development of collaboration of the CAS institutes with research institutions in Germany.

Conditions / Restrictions	<p>Project proposals must be submitted in parallel to both partner organizations.  CZ project proposal must be submitted via the KIS application.  You must register in the KIS application using the following <a href="#">link</a> and fill in a project proposal.  After finishing your proposal, you shall forward it through your KIS account to the IOCB Director for its approval. The Director shall approve and submit your proposal via his KIS account and simultaneously final version of the project proposal must be submitted via the CAS data mailbox  All Czech team members must be employees of the CAS.  <b>At least 1/3 out of the whole team must be junior researchers</b> (less than 8 years after receiving PhD) <b>or PhD students</b>.  Min. 50 % of the requested financial contribution shall be used to cover mobility costs and shall be maintain on the project level as well as yearly.  If justified, travel and living expenses, conference fee in a “third” country (if active participation in a conference, directly related to the project) is eligible mobility cost.  Eligibility of all costs will be assessed based on specific justification in the project proposal.  The course of project implementation will be monitored through annual and final reports including use of financial means and justification of costs and transfers between categories.  PI can submit more than 1 project proposal, but only 1 project can be funded.  Only 2 subsequent projects realized by the same research teams can be funded.  Please be aware that the date of the call and of the deadline for project submission might differ on the German side. Both principal investigators, therefore, should make sure that their counterpart submits a matching application by the relevant deadline.  Please be aware that the date of the call and of the deadline for project submission might differ on the partner side. Both principal investigators, therefore, should make sure that their counterpart submits a matching application by the relevant deadline.</p>
Proposal consists of	<p>Mobility Plus Project Proposal form CZ for CAS (CZ applicant)  Abstract (en/cz max 1100 characters incl. spaces), project description (max 10 characters in total incl. spaces), research teams description (max 5 characters in total incl. spaces), budget description, CVs of Czech and foreign PIs: (max 1 page) + list of 5 project-relevant publications in the last five years.</p>
Evaluation criteria	<p>Two-step evaluation: national level &amp; international level  1) Scientific and formal quality: Quality of project implementation (concept, approach, methodology, time schedule, outcomes); State-of-the-art; Innovation potential and perspective to broaden knowledge; Expected mutual benefits for both research institutes; Potential of project results and its possible outreach.  2) Quality of research teams: Justification of collaboration needs; Competence and qualification of research team members; Level of involvement of junior researchers and PhD students; Research teams' complementarity; Previous cooperation.</p>
Research areas	All research areas
Call workshop	Not available
IOCB contact	<p>Please inform the IOCB Project Office about your intention to apply.  Do not hesitate to contact us anytime for consulting, discussion or help.
