

Deadline	Sat 30 Nov 2024 23:59 CET (IOCB deadline Fri 15 Nov 2024 if you require an IOCB recommendation letter)
Competition name	Cena Wernera von Siemense 2024: Nejvýznamnější výsledek základního výzkumu /Werner von Siemens Award 2024: The Most Important Basic Research Result
www	https://www.cenasiemens.cz/vedci
Organiser	Siemens, s.r.o., Siemensova 1, 155 00 Praha 13 - Stodůlky, www.siemens.cz cenasiemens.cz@siemens.com
Focused on	Competition for young researchers or team of researchers up to the age of 40 years to award the most important result (publication) of basic research. Age restrictions apply to the principal and correspondent author of the paper, who can apply up to and including the age of 40. In case of a team result (collective), the condition applies to all its members with a significant share in the work.
Applicant	1-X researchers from Czech public or private research institutions, works (results) had to arise from more than 50% share in Czech institutions.
Criteria	<p>The age limit of 40 years is on the date of the call deadline, career breaks are excluded from this limit; the limit can be extended by 3 years per child (length of maternity/parental leave must be confirmed with a solemn declaration).</p> <p>Only a published (finished) research result can be submitted to the competition. The research result was published between 01 Jan 2019 and 30 Nov 2024.</p> <p>A project description is a mandatory part of the application.</p> <p>There are no limits of number of applications per one institution.</p> <p>Team members can be part of an unlimited number of applications, only one application per team leader can be submitted.</p> <p>All team members have to agree with the submission of the result to the competition and with the processing of their personal data.</p> <p>The research quality of the result and the contribution to the current state of knowledge are the main evaluation criteria.</p> <p><u>The special award of the CEO of Siemens for Excellence in Women's Scientific Work:</u></p> <p>All published results by women who ranked first in the Best Diploma Thesis, Best Dissertation, Most Important Basic Research Result are automatically included in the evaluation. They may be nominated on the recommendation of expert juries if the work is exceptional in any way.</p>
Institution	Public or private research institutions in the Czech Republic, no limits
