Call identifier	WBI-IN-STS-2025
Call info	WBI IN Short-Term Scholarships support postdocs and Ph.D. to realise short-term visits up to 3 months in Wallonia and Brussels Universities for the purpose of advanced doctoral and postdoctoral training and scientific collaboration.
Conditions / Restrictions	<p>Application should be sent as <u>one single PDF file</u> by e-mail bourses@wbi.be. The application must be complete, signed and dated.</p> <p>If your attachments are too large, you must complete your application with an online sharing link (Google Drive, WeTransfer, Dropbox, etc.).</p> <p>You are allowed to submit a file even if you are Ph.D. student and the doctorate certification is not yet in your possession. In this case, it will be necessary to send proof of achievement no later than: 01 July for a stay Sep-Feb and 01 Dec for a stay Mar-July.</p> <p>A maximum of three applications will be allowed for each candidate. However, a long-term and a short-term scholarship may be combined, as can several short-term scholarships, as long as the limit of three attempts is respected and the 3-year period between two stays is observed;</p>

	<p>In the event of a new application, any changes made to the previous application must be justified;</p> <p>Once the results have been communicated by WBI, the candidate will have seven calendar days to decide whether or not to accept the scholarship, so as not to disadvantage any substitute candidates.</p>
Proposal consists of	<p>1) Application form (project description, academic background, CV, publications, etc.)</p> <p>2) Declaration of additional funding</p> <p>3) Minimum 2 Letters of reference</p> <p>4) Letter of invitation or agreement from the host university and sponsor supervising the research.</p> <p>5) Copy of the doctoral degree(s)</p>
Evaluation criteria	<ul style="list-style-type: none"> • Area related to competitiveness clusters of the Marshall Plan 4.0 • Letters of recommendation • Academic record • Interest of the research area for WBI universities, research centres • Scientific publications • The added value of the envisaged mobility • Career path. <p>These criteria make it possible to set out classifications in three A-B-C categories. Only those applications which have been graded A by at least one of the members of the jury will be selectable.</p>
Research areas	Life sciences, Environmental Technologies, Agri-industry, Mechanical engineering, Transport and logistic and Aeronautics-space
Call workshop	None
