Quantitative Evaluation of the Performance of Groups

Text The IOCB Prague Director announces the quantitative evaluation of the performance of IOCB groups for the last three years, i.e. for 2022, 2023 and 2024. The evaluation will follow the methodology presented in the Directive S2025-04.

The Evaluation Procedure

1. The ITS – Library (contact: Viktorie Chládková, tel. 232 002 434, asep@uochb.cas.cz) will provide group leaders with a list of acceptable results as an abstract from the ASEP database by **23 April 2025**.
2. The group leaders will check the list for accuracy and completeness, adjust the values using *real impact factors* if necessary (provide evidence of citation), or submit background materials for the calculation of T and S indices. During the check, they will also mark any results that, due to their nature or circumstances of occurrence, should not be included in the evaluation. Group leaders will submit the revised lists to the Secretariat of the Director by **7 May 2025** as a hard copy or by e-mail to uochb@uochb.cas.cz, with the subject “Quantitative Evaluation”.
3. The Patent Office shall prepare the data for the calculation of the P index and submit it to the Secretariat of the Director by **7 May 2025**.
4. The Library and the Secretariat of the Director will conduct the final calculation and submit the results to the Director by **21 May 2025**.
5. Based on the results of the quantitative evaluation, the groups will be awarded exceptional institutional support totaling CZK 2 million.
