## Step 2 – Author Dashboard

After signing into the MPS, the author will see his / her dashboard, he will click on the new submission tab on the left menu bar (Indicated by red arrow in the below screenshot).

The screenshot displays the MPS Author Dashboard. On the left, the user profile for Latif Rehman is shown, along with a navigation menu where 'New Submission' is highlighted with a red arrow. The main dashboard area is titled 'Welcome to Dashboard' and features two primary sections. The first section, 'ASSOCIATE AUTHOR SUBMISSIONS', includes a search bar and a table with columns for Journal, Reference No., Date, Title, and Status. It currently shows 'No Submission'. The second section, 'NEWLY SUBMITTED ARTICLES', also has a search bar and a table with the same columns. It displays one article: 'COVID' with reference number 'BMS-COVID-2021-163', dated '2021-10-20', titled 'Test', and a status of 'Awaiting Editorial Approval'. The dashboard is powered by Eureka.

## Step 3 – Submission Process

The author will complete his / her submission process:

- Select journal or already selected earlier if coming from the journal's website
- Select submission option
- Select Manuscript Submission and complete the details.

## New Submission

Please select the submission option :
